

TRANSFORM HOME GYMS WITH THE CENTR SMART STACK 50

The only dumbbell needed for workouts at home.

Discover true strength with the **Centr Smart Stack 50** adjustable dumbbell. Engineered for comfort and durability and designed to streamline training, switch weight from 2.3-22.7kg at any time by simply rotating the handle. Can one piece of equipment transform home workouts? It can when teamed with expert coaching from Chris Hemsworth's team.

High Quality Components

Made with heavy duty steel, not plastic, so it's built to withstand rigorous workouts.

Easy Weight Adjustment

Quickly select the weight that's right for you by turning the bi-directional ergonomic handle.

Safe & Secure

Dual steel pin locking system holds plates in position for maximum safety and magnetic base keeps plates secure.

Weight View Windows

Easily see and select your weight in both KG and LB.

2.3-22.7kg Adjustable Dumbbell

Replace up to 20 individual dumbbells with this space-saving adjustable dumbbell set.

PLUS A 3-MONTH CENTR DIGITAL MEMBERSHIP

Unlock the full potential of your Centr **Smart Stack 50** with training, nutrition and mindfulness coaching from Chris Hemsworth's expert team.
