

FT2 FUNCTIONAL TRAINER

Model #: FT2-B

The Inspire Fitness FT2 Functional Trainer brings a commercial-grade cable machine plus a selectorized smith bar to your home gym. Equipped with 2 weight stacks, 8 pulleys and an array of high end features, this functional trainer is all you need to take your training to the next level.

MSRP US: \$4999

SPECIFICATIONS

Frame

Heavy-duty rectangular steel, matte black

Weight Stacks

2 x 165 lbs (2:1 ratio for 82.5 per pulley, 20 lbs smith bar {190 max with smith bar, before weight multiplier})

Patented Weight Multiplier System

Doubles weight for heavy lifters, while using the smith bar

Cables

1/8-inch steel cable with polyurethane coating 3/16-inch

Includes 12 Accessories

Triceps Rope, 2 x Rubber D Handles, Straight Bar, EZ Curl Bar, Ankle Strap, Multi-Function Belt, 2 x 5 lbs Add-On Weights, Sport Handle & 2 x Water Bottles

FEATURES

FULL BODY STRENGTH TRAINING

Two 165 lb weight stacks, 8 pulleys comprised of 2 sliding pulleys, 2 upper pulleys and 4 lower pulleys, and a patented selectorized smith bar.

BUILT-IN SMITH MACHINE

Our patented, selectorized smith bar integrates directly into the cable system. No need for a spotter or the loading or offloading of Olympic plates. With the weight multiplier, you can lift up to 380 lbs on the bar.

EXTRA FEATURES

Storage rack for accessories, dedicated space for your water bottle and tablet and the ability to upgrade each weight stack by 50 lbs (100 lbs total).
